

Take the "Ten-Toque Challenge"
extend a helping hand to the homeless in communities across Canada

Times are tough – especially for the homeless. This year more than ever – Raising the Roof needs your support for our annual **Toque Campaign**. The campaign raises money to help fund agencies that provide shelter, food, job training and more in your community. Campaign proceeds also contribute to our ultimate goal – to bring about **long-term** solutions to homelessness.

How can you help? Take the "Ten -Toque Challenge". Order ten of these warm, stylish, Canadian-made toques, keep one and pass on nine to deserving friends or fellow supporters. The toques are an easy way to make a difference in the lives of Canada's homeless men, women, youth and children. Wear your toque with pride - throughout the winter and, especially, on Toque Tuesday, February 3, 2009!

The "Ten -Toque" difference

Wonder what your purchase of ten toques can do?

- For 16-year-old Cindy, struggling to finish school while living on the streets, it represents a hot lunch every day for a month.
- For Dillon, trying to hold down his first job and pay rent, it's a monthly bus pass.
- For Indra, it's a night at a shelter for her and her child.

Now, think of nine other people you know, who would be proud to wear a toque that says "I care". Thank you!

**WEAR YOUR TOQUE WITH PRIDE ON TOQUE
TUESDAY, FEBRUARY 3, 2009!**
